COMMENTS / LOST & FOUND

To offer a suggestion, to file a complaint or compliment, or to report a lost item, please call the Connector Information Center at (703) 339-7200. If you see a bag or package that is unattended, leave it alone and report it to a **FAIRFAX CONNECTOR** or Metro employee immediately.

FAIRFAX CONNECTOR bus service is funded by Fairfax County

PLAN YOUR TRIP

FAIRFAX CONNECTOR route maps and schedules can be found in separate brochures which are located aboard buses, at Metro Stations, online, or at your nearest Connector Store. You can also request that a timetable be mailed to you by calling the **FAIRFAX CONNECTOR** Information Center at 703-339-7200. Route maps show major bus stops located along the route, accompanied by a schedule which indicates the times the bus will stop at those locations. Bus stops are located approximately every two blocks along the routes, therefore it is not possible to include all of them in one schedule. Instead you may use the major bus stops/ timepoints which are listed to estimate the time it will take for the bus to arrive at other bus stops which are not listed. Plan to arrive at your bus stop five minutes early and make sure you have exact fare, because the bus driver does not carry change.

WHEELCHAIR LIFT SERVICE

FAIRFAX CONNECTOR buses in Reston and Herndon are all wheelchair lift-equipped. Most of the buses in other areas of the County are wheelchair lift-equipped. To be assured of a lift-equipped bus on your route, call 24 hours in advance.
